

Dear Parents,

Commercial Bank will be running the 4th edition of its popular in-house summer internship programme, with this year's theme being "**CB Young Banker - Leading change via Digital Channels**". The programme is designed specially for our young Qatar resident students in the **age group 13-17**, and will commence from **2nd July**, to be held in 2 batches during July/August. We are offering students a great opportunity to gain real life work experience and earn additional money during their summer holidays. The internship programme will train your child to develop new business skills in a customer facing environment with the support of our talented employees.

Commercial Bank is one of the leading banks in Qatar and has been at the forefront of Digital innovation and in promoting Savings products. This internship will commence with 2 days of training for your child to broaden the scope of their role within the branch that includes an in-depth understanding of Mobile, Internet and ATM solutions which are now extensively used by customers for their day-to-day banking. In addition, the training will encourage the people to save and invest their hard-earned money by learning the different Commercial Bank's savings products.

Following the two days training, your child will be placed at one of our branches to show all our alternate self-service channels to customers and to educate them on the benefits of these channels, ultimately helping customers to find better and more convenient ways to conduct their bank services.

If you have a child between the age of 13-17 who would be interested to be part of this internship programme, please send an e-mail to Ms. Karilagan Gavino on karilagan.gavino@cbq.qa no later than **29th June 2017**, with your child's name, birth date, a copy of his or her QID, Qatar Residential address and mention the preferred summer internship dates for your child.

We will notify you for the date and venue of the two days training.

Your child will receive a stipend of QAR 2,000 per month of internship subject to completion of the internship summer programme. The amount will be paid pro-rata based on attendance. They will be required to attend a minimum of two weeks of continuous satisfactory attendance to be eligible for payment.

Upon successful completion of the programme, a certificate will be handed over to your child at an award ceremony.

We hope to hear from you soon and please do not hesitate to contact Ms. Karilagan at 4449-7588 for any clarification.

Sincerely yours,

Reham Sabri Thawabi
AGM- Head of Branch Network
